

2J and 2D Curriculum Newsletter

Spring Term

LITERACY

Ancient Greece - Myths and Legends

- Stories - recall and sequencing.
- Role Play and Drama.
- Instructions
- IEP targets.

NUMERACY

- IEP numeracy will continue and we will work on generalising skills to a range of practical settings including shopping, cooking and HIA.

CREATIVITY AND LIFE SKILLS

We are taking a creative approach to our Art, DT and ICT objectives through the above topics. We will be continuing Community Access each week.

Our Science topics will still have a strong emphasis on Life Skills through baking and looking after the environment. We will also be exploring the topics of teeth and healthy eating.

The children will be visiting the synagogue and we are hoping to have a trip to the museum as part of our History topic.

P.E

Please can you ensure your child has a tracksuit and trainers in school (in addition to their normal P.E. kit) as we will be doing games outside and participating in orienteering activities.

MUSIC

We will be looking at and using a wide range of musical instruments.

HERE I AM

- Journeys
- Communion
- Growing

We hope you had a relaxed and peaceful break over Christmas. We are looking forward to an exciting term ahead and welcoming our visitors from creative partnerships and Christ the King who will be working with us throughout the first half term. Swimming sessions at Dunes will continue each Thursday morning. Snack money will remain at £1.50 per week. This will be used for healthy snacks and any remaining money will be used towards community access.

We would like to thank you for your continued support.

Joscelin Jamieson and Danielle Dempsey.
